§ 655.131 Association filing requirements.

If an association files an *Application for Temporary Employment Certification*, in addition to complying with all the assurances, guarantees, and other requirements contained in this subpart and in part 653, subpart F, of this chapter, the following requirements also apply.

(a) *Individual applications.* Associations of agricultural employers may file an *Application for Temporary Employment Certification* for H-2A workers as a sole employer, a joint employer, or agent. The association must identify in the *Application for Temporary Employment Certification* in what capacity it is filing. The association must retain documentation substantiating the employer or agency status of the association and be prepared to submit such documentation in response to a Notice of Deficiency from the CO prior to issuing a Final Determination, or in the event of an audit.

(b) *Master applications.* An association may file a master application on behalf of its employer-members. The master application is available only when the association is filing as a joint employer. An association may submit a master application covering the same occupation or comparable work available with a number of its employer-members in multiple areas of intended employment, just as though all of the covered employers were in fact a single employer, as long as a single date of need is provided for all workers requested by the *Application for Temporary Employment Certification* and all employer-members are located in no more than two contiguous States. The

association must identify on the *Application for Temporary Employment Certification* by name, address, total number of workers needed, and the crops and agricultural work to be performed, each employer that will employ H-2A workers. The association, as appropriate, will receive a certified *Application for Temporary Employment Certification* that can be copied and sent to the United States Citizenship and Immigration Services (USCIS) with each employer-member's petition.

§ 655.132 H-2A labor contractor (H-2ALC) filing requirements.

If an H-2ALC intends to file an *Application for Temporary Employment Certification*, the H-2ALC must meet all of the requirements of the definition of employer in § 655.103(b), and comply with all the assurances, guarantees, and other requirements contained in this part, including Assurances and Obligations of H-2A Employers, and in part 653, subpart F, of this chapter.

(a) *Scope of H-2ALC Applications.* An *Application for Temporary Employment Certification* filed by an H-2ALC must be limited to a single area of intended employment in which the fixed-site employer(s) to whom an H-2ALC is furnishing employees will be utilizing the employees.

(b) *Required information and submissions.* An H-2ALC must include in or with its *Application for Temporary Employment Certification* the following:

(1) The name and location of each fixed-site agricultural business to which the H-2ALC expects to provide H-2A workers, the expected beginning and ending dates when the H-2ALC will be providing the workers to each fixed site, and a description of the crops and activities the workers are expected to perform at such fixed site.

(2) A copy of the Migrant and Seasonal Agricultural Worker Protection Act (MSPA) Farm Labor Contractor (FLC) Certificate of Registration, if required under MSPA at 29 U.S.C. 1801 *et seq.*, identifying the specific farm labor contracting activities the H-2ALC is authorized to perform as an FLC.

(3) Proof of its ability to discharge financial obligations under the H-2A

program by including with the *Application for Temporary Employment Certification* the original surety bond as required by 29 CFR 501.9. The bond document must clearly identify the issuer, the name, address, phone number, and contact person for the surety, and provide the amount of the bond (as calculated pursuant to 29 CFR 501.9) and any identifying designation used by the surety for the bond.

(4) Copies of the fully-executed work contracts with each fixed-site agricultural business identified under paragraph (b)(1) of this section.

(5) Where the fixed-site agricultural business will provide housing or transportation to the workers, proof that:

(i) All housing used by workers and owned, operated or secured by the fixed-site agricultural business complies with the applicable standards as set forth in § 655.122(d) and certified by the SWA; and

(ii) All transportation between the worksite and the workers' living quarters that is provided by the fixed-site agricultural business complies with all applicable Federal, State, or local laws and regulations and must provide, at a minimum, the same vehicle safety standards, driver licensure, and vehicle insurance as required under 29 U.S.C. 1841 and 29 CFR 500.105 and 500.120 to 500.128, except where workers' compensation is used to cover such transportation as described in § 655.125(h).

§ 655.133 Requirements for agents.

(a) An agent filing an *Application for Temporary Employment Certification* on behalf of an employer must provide a copy of the agent agreement or other document demonstrating the agent's authority to represent the employer.

(b) In addition the agent must provide a copy of the MSPA FLC Certificate of Registration, if required under MSPA at 29 U.S.C. 1801 *et seq.*, identifying the specific farm labor contracting activities the agent is authorized to perform.

§ 655.134 Emergency situations.

(a) *Waiver of time period.* The CO may waive the time period for filing for employers who did not make use of temporary alien agricultural workers during the prior year's agricultural season

or for any employer that has other good and substantial cause (which may include unforeseen changes in market conditions), provided that the CO has sufficient time to test the domestic labor market on an expedited basis to make the determinations required by § 655.100.

(b) *Employer requirements.* The employer requesting a waiver of the required time period must concurrently submit to the NPC and to the SWA serving the area of intended employment a completed *Application for Temporary Employment Certification*, a completed job order on the Form ETA-790, and a statement justifying the request for a waiver of the time period requirement. The statement must indicate whether the waiver request is due to the fact that the employer did not use H-2A workers during the prior agricultural season or whether the request is for good and substantial cause. If the waiver is requested for good and substantial cause, the employer's statement must also include detailed information describing the good and substantial cause which has necessitated the waiver request. Good and substantial cause may include, but is not limited to, the substantial loss of U.S. workers due to weather-related activities or other reasons, unforeseen events affecting the work activities to be performed, pandemic health issues, or similar conditions.

(c) *Processing of emergency applications.* The CO will process emergency *Applications for Temporary Employment Certification* in a manner consistent with the provisions set forth in §§ 655.140 through 655.145 and make a determination on the *Application for Temporary Employment Certification* in accordance with §§ 655.160 through 655.167. The CO may advise the employer in writing that the certification cannot be granted because, pursuant to paragraph (a) of this section, the request for emergency filing was not justified and/or there is not sufficient time to test the availability of U.S. workers such that the CO can make a determination on the *Application for Temporary Employment Certification* in accordance with § 655.161. Such notification will so inform the employer using
